Honorono, March 22nd, 1882.

The importance to Russia of her ports Petersburg. Time was, and that not half a century ago, when Siberia was believed to hospitable land, condemnation to a residence l in-which meant banishment from all that rendered life worth living, and extinguished , hope in the mind of the exile. But more rapid means of communication and more cleared up many misconceptions, and i opened up to commerce and cultivation in Europe. The Russians are restless and out the great enterprises necessary to accomplieb the unity of the Czar's vast dominions. The announcement that a railway has been projected between Orenburg and Bokhara and , are told that a much larger scheme has been is for a railway from St. Petersburg to doubt this important work will be undertaken, results of this investigation,

but not at present. An alternative scheme has been proposed by which the magnificent water whys of Siberia may be utilised to effectively abbreviate the distance to be covered by rail and thus by alternate steamer and railway Yladivostock may be laid open. Whenever this may come about the rise of Eastern Siberia will be rabid indeed. In that country nature has been almost prodigal of her gifts. Among these are magnificent forests containing timber suited for every purpose; animals of all kinds, some of which are suitable for food while others produce furs of great value; rich natural pastures on which giganticherds of cattle could peacefully browse: and a rich soil, which needs but to be is a good harbour, and will undoubtedly one

day develop into a great port. It is questionable, however, whether the Russian Govern- hial Secretary of Mauritius. ment will ever be content until they secure a harbour on the Pacific which is open all the time Register) the London and Glasgow-Ship-buying the seven three storey houses he signed wrace which is attached to the foreign name by year. us that this was in recognition of the day set apart annually by the Japanese to do honour to the memories of the departed Mikados.

Return of visitors to the City Hall Museum for the week ending March 19th:-

A general inspection of the troops in garrison was held yesterday morning by this Excellency Librate General Donovan. At about half-past nine, the Buffs marched on to the Parade Ground headed by their band, followed shortly afterwards by the three remaining companies of the Inviskilling Fusitions with their band. The traffle along Queen's read between the Parade Ground and the Cricket Ground was stopped for the time. and there was thus a clear field left open across the Cricket Ground. Almost as soon as the troops had got into position on the Parade staff arrived. The men were put through a few e-clutions; and marched past at quick march, and at the double. Shortly after 10 o'clock they pappeared for the plaintiffs, and Mr. Francis, inbe a cold, barren, desolate, and cruelly in- marched off the Ground to the Barracks, with both hands playing. A large number of spec-

We ent the following "note" from the St. James's Gazelle :--" The Russian Government is stated to have under its consideration a plan for \$53,500. \$3,000 bargain money had been paid the construction of d railway, to be called the The defence was that there had been misrepreextensive explorations of Siberia have Russian Pacific line, from St. Petersburg to sentation, and also that the plaintiffs were not Viadivostock. The distance between these places in a position to assign at the time stipulated in is about 10,000 versts, or more than double that the contract. It appeared the agreement was is now well known that that vast country between New York and San Francisco; and it is made in the beginning of October, and the assignis really far richer in resources than Euro- believed that, owing to the expense of construct. ment was to be made on the 15th December. ing such a line, the project will, for the present, Lot 516 adjoins lot 24 and has seven three storey not be carried out; but that another railway in | houses upon it, while lot 24 has nine two stores a much nore temperate and agreeable cli- the same direction will be made by the Govern- houses upon it. The defendant's case, as regards mate, and that when it can be properly ment between the Rivers Obi and Amoor. This misrepresentation, was that he had agreed to line would be about 2,700 versts in length, and buy lot 516, and that lot 24 half been mention when it is completed it will be possible to travel in the agreement wrongfully, than most parts of the Muscovite Empire Siberia, and thence to Lake Khanka, near the plaintiff, said he acted as solicitor for both for his boat hire when the defendant suddenly contemplated. For instance, they might tolerate Mandarins is plain enough. The Western pro-Pacific const. Friday, when rebutting evidence will be called With respect to that tragic affair he acouses the 'Cientsin authorities of being absolutely

implicated. He gives the details in a most -unthenticated_shape, and_they_form_anything but pleasant reading. A difference is made between Protestant and Roman Catholic missionaries, greatly in favour of the former, but Sir Rutherford maintains that this difference is unknown to the Chinese generally. He is very severe upon the Freuch Roman Catholic missionaries, whose conduct he describes as rapacious and ag-Edward Thelan, an unemployed seaman, was gressive, and he blames the French government in unmeasured terms for supporting their pretensions and maintaining their position, Dick said he was on duty in Hollywood-road loss not speak from hearsay, but from an absolute on Monday evening when he saw the defendant personal knowledge of the subject. loitering about, and told him to go away. Later

The assertion of the Anti-Opium League that opium was forced on the Chinese by means of treaties which were dictated at the point of the thrown at him. When he turned round the depayonet is then dealt with. This Sir Rutherfeedant had disappeared, but Dick found him ford entirely refutes in this wise. In the treaty of Nanking negociated by Sir Henry Pottinger fendant had been put on board his ship, the R. T. Clayton, and a suit of clothes had been given in 1842, nothing whatever is said about opium. him, but he came ashore again and sold the Since then he had been loading about the colony with no visible means of subsistence. Chinese were left to deal with the drug in any manner they might choose. Soon after the Defendant was sentenced to 21 days' imprison- signing of the last named treaty, Commissioners were appointed by England and China to meet at Shanghai and arrange the tariff with rules and regulations for conducting the trade. The Wong Kong, shop coolie, was charged with Chinese Commissioners then requested, entirely having stolen a basket containing clothes, to the of their own motion, that opinm might be in value of \$10, the property of Yik Ayung, mer-

sluded in the tariff, and it was included accordingly; but so scrapulous was Lord Elgin on the point, that although the import duty on opinm was fixed, a separate and exceptional stipulation otherwise tax the article in any shape they might

Ordered to enter into a recognisance with two Sir Rutherford having thus refuted the assersureties of \$20 each to be of good behaviour for tion, turns round upon the coolesiastical philanthropists, and sets forth that missionaries who Tung Fuk, hawker, was charged with having here far more odious to the Chinese than opium, were force | upon the sliddle Kingdom by treaty, tolon a pair of silk troasers and \$2 from the and what is more, have caused much more trouble and risk of a rupture than opinm has ever done. The complainant was on his way from Penang In short, he shows that whilst opium is a source to Amoy, and on Monday he was ashore here f revenue, missionaries are a constant source of making some purchases. He was returning to the steamer Kwangtung when the defendant and anxiety. He accuses the missionaries of writing to the another man who had been following him seized societies to which they belong on the subject of him, and took a pair of sitk trousers from under

the opium trade and making grossly exaggerated his arm, and two dollars from his hand. He statements. These being read by clergymen at public meetings and printed in the Missionary Reports, have fed the agitation against opium. A Washington telegram in the Californian of fitting ap and furnishing the Hospital and its free himself by severing part of his quote with One of these statements computes the number papers, dated 17th February, is as follows:—"It working expenses up to the end of 181 were a kuife, but the complainant held on to him till of Chinese who distanually from smoking opinm Four previous convictions were proved against gether—that is, if the opinm imported be divided some time ago offered to John Russell Young, pital will have to depend on the liberality of the prisoner, who was sentenced to 'six months' by the small allowance of a mace per man per day. friends. Subscriptions raised locally by the imprisonment, with the first and last fortnights These exaggerated statements have been conin solitary confinement, and six hours in stocks tradicted and disproved by leading and by medical missionaries, adverse to the use of opium-but still they are reproduced and relied upon. The tables are thus entirely turned upon the

missionaries. Sir Rutherford has doubtless aroused a nest of hornets about his ears, but seems to me that he is so sure of his ground that Wong Akan, coolie, was fined \$10, or in default seven days' imprisonment, for having been un- the clericals may waste their breath on platform lawfully in possession of opium without a permit and in pulpit without doing themselves much good. A soldier from Nikolinoff save that his regiment was not allowed to suppress the riot against the Jows, Many women with infants have suffered acutely. The refugees believe that the Czar is unaware. The moments attached 770, 74.0 800 60.0 48.0 47.0 of their sufferings, and is not responsible for the atrocities.

St. Petersburg, February 16th. The reported outrages on the Jews near Ki. Dry Thermometer 76.0 72.0 600 600 47.0 45.5 cheneff are confirmed. The affair grew out of the elepement and marriage of a Jewish maiden with a Christian.

London, February 16th. A correspondent at Vienna vouches for the truth of the statement that at Elizabeth, Grad, Kieff, Olessa, Niezjuid, Peczaerk, Kondand Preslau, over 250 women were outraged by the Jew baiters. During the disturbances at Kieff. General Drustchu, when appealed to for protection, said it was not worth while risking his soldiers' lives. 'At Odessa, petroleum was poured on a man's head and set on fire, and the man died in great agony. Many children were mercilessly

London, February 17th. ... A Vienna despatch says : French and Jewish disturbances are reported in the Government of Birff, and the military Governor-General, Count Totleben, declined to interfere without special instruction from St. Petersburg. His refueal produced a prinful impression on the orderly population.

MISCELLANEOUS ITEMS.

LONDON, February 12th. Two explosions occurred in the Rhodda Valley miner The first killed two-persons. While an sion occurred, shattering the shaft and killing

A. Vienna despatch says: -"In order not to offend Russia, Austria has entirely abandoned the plan for a partial or temporary occupation of Montenegro. Negotiations, however, are procooling with Prince Nikita for the passage of Austrian troops across his territory, if necessary. This has helped to discourage the insurgents.

A large number of Nihilist pumphlets, printed in Coburg, and found in Berlin, have been seized. The disorders at the Charkoff University, Russia, were caused by the expulsion of three students for ill-treating a person, who was formerly a Socialist, for changing his views.

MADRID, February 14th.
The Conneil of Ministers have carefully disonssed the latest reports of Captain-General Prendergast, who states that there is considerable agitation among the Cuban antonomists, among the advanced Liberals and the coloured population of the Eastern provinces of the Is-land. It was decided that Prendergast should have full powers given him for the energetic re-pression of all secessionist intrigues.

Bookbinding in Jevery Style by Competent Workmen on the Premises.

BERLIN, February 15th, The Pfeister Bros. of Munich have failed, Commercial Binding of every Size and Descripwith liabilities of £260,000.

on Friday, the 31st inst., at 3.30 P.M. The Postal Guide published in 1879 being now somewhat out of date; a revised issue is printed in the Chronicle and Directory for 1882, which supersedes all previous editions. No responsibility can be accepted in this Department for erroneous replies to verbal anguiries. are to notes addressed to subordinate officers. The not be regarded as able to give correct informadressed to the Collector of Customs, San Fran. I tion. The Postal Guide alone is the standard on all points on which such information may be

For Kobe and Yokohams.—Per Niigata Maru.

HOURS FOR CLOSING THE CONTRACT MAILS.

THE FRENCH MAIL. DAY BEFORE DEPARTURE (or SATURDAY if the departure be on Monday). P.M., Money Order Office closes. Post Office. closes, except the night box, which is always open out of office hours.

DAY OF DEPARTURE. A.M. Post Office opens. 10 A.M.; Registry of Letters ceases. Posting of -all printed matter and patterns ceases. II A.M., Moil closes, except for Late Letters. 11.10 A.M. Letters may be posted with Late Fee of 10 cents until

11.30 A.M., when the Post Office closes entirely. 11.40 A.M. Late Letters may be posted on board the proket with Late Fee of 10 Cents until time of departure. THE ENGLISH MAIL -- DAY OF DEPARTURE. Noon, Money Order Office closes 2 P.M., Registry of Letters ceases. Posting of all printed matter and patterns ceases. 3 P.M., Mails closed, except for Late Letters,

3 10 par Letters may be posted with Lat. Fee of 10 cents until 3.30 P.M., when the Post Office closes antirely, 3.40 P.M., Late Letters may be nosted on board the Packet with Late Fee of 10 cents nutil time of departure.

Many boxes of letters are received at the Post Office not sealed, that is to say, the hox is fastened with sealing wax, but there is no impression of a seat. The attention of boxholders is called to the necessity of carefully sealing such boxes with some recognisable seal, and of sending a chitbook or receipt with them. The emission of the latter precaution leaves a doubt as to whether the contents of the box ever reached the

Post Office; the omission of the former, as to

TRA MUSTERS. Persons who send Musters of Tea through the Post in Tins are requested to have them made flat or square instead of round, as it is impossible to pack round tine securely in the mail bags. It is believed that the tea will travel more safely in flat tins, which are not so liable as round ones to be bulged in. 4 by 3 by 11 inches is suggested as a good

RATES OF POSTAGE. Letters, per § oz. 10 Cents. Post Cards, each Books, Patterns, and Commercial Papers, per 2 oz. Newspapers & Prices Current, each Registration Do. with return receipt ... Commercial papers signify such papers as, though written by hand; do not bear the character of an actual or personal correspondence, such

as invoices, deeds, copied music, Ac. . The charge

is the same as for Books, but all mackets of and

size. The tins should not have sharp corners.

under 4 oz. weight are charged 5 Cents. SOLDIERS' AND SAILORS' LETTERS. 1.—Privates in H.M. Army or Navy. Noncommissioned Officers. * Bandmasters Army Schoolmasters (not Superintending or First Class) Writers or Schoolmistresses may send half-ounce letters to the United Kingdom by mail at the rate of four cents (twopence) each, which may be prepaid either in Imperial or in Hongkong Stamps. By private steamer the postage is 2 cents (one penny). 2.—The same privileges apply to letters addressed to the Privates and Non-commssioned Officers named above, 3.—Private ateamers leave Hongkonig for london about every ten days. 4.—The letters must not exceed half an ounce. No handkerchiefs, jewellery, &c., can be sent, even with the ends open. 5.-If from a Soldier or Sailor his class and description must be stated in full on the letter. the cover of which must be signed by the Commanding Officer, with name of regiment, ship, &c.,

in full. If to a Soldier or Sailor, his class and description, with name of regiment, ship, &c., must he stated in full. 6.—Soldiers and Sailors have no privileges with regard to books or papers, nor can these be prepaid with Imperial Stamps. * But not Warrant Officers, viz. -- Conductor, Gr ner, Boatswain, or Carpenter.

When it is desired to forward letters to the United States by a sailing ship which is not notified as carrying a mail, is only necessary to post the letters in the ordinary way, marked with the name of the ship, and prepaid 10 cents per half ounce as usual. The Post Office then undertakes the duty, of obtaining notice of departure and despatching the correspondence. • It is requested that the letters be posted if possible at least one day before the date fixed for sailing.

To provide means of remitting small sums of money to or from this Colony and between the Ports of China, the Postmasters and Agents of this Office are allowed (but not required) to purchase Hongkong Postage Stamps from foreign residents. The Stamps tendered for sale must not exseed \$50 in value, must be perfectly clean, in

good condition, and in strips of at least two, as no separate Stamps will be purchased. They must be presented personally or accompanied Letters containing Stamps should be registered, and the Stamps should be secured from
